VOL. 5. NO. 94 MONESSEN, PA., SATURDAY, OCTOBER 13, 1906. SIX CENTS THE WEEK

WILL PUT STOP TO COAL STEALING PRACTICE

Monessen-Charleroi Bridge Company Has Been Made Victim of Fuel Thieves to Such an Extent That They Have Been Roused to Action.

The Monessen Charleroi Bridge Company has of late been suffering such eavy losses from the theft of coal , wood nd other material, which has been ommitted by some of the foreign and olored residents of Wireton and vicinity, ut they have at last been compelled to esort to drastic measures in order to reak up the practice.

The thieves have become quite bold nd have even gone so far as to defy the atchman when detected in the act. Besides taking coal, it is claimed many undreds of feet of valuable lumber have een stolen and used for fuel. The first gal step the company took to protect eir property was the arrest of Liza awkins, colored, charged with stealing al. She was bound over for court, but seems her arrest had no effect on the hers. Last night August Maluhin and ntonio Tobristi, became disorderly hen detected by watchman Donnelly, nd the local police were notified.

Chief Woolsey and Officer Wheatley ent to Wireton last night and placed em under arrest. They were fined $3 nd costs each before Squire Jas. A. Watns this morning. The bridge company determined to break up the practice nd the next offenders caught will not t off so easily.

A Correction.

PUNISH THE DOG POISONER.

Strange as it may seem to some of us, but nevertheless it is true there are people living here in Monessen in this day and age of civilization, who poison their neighbor's dogs and every other dog for that matter that happens to come around. We are not putting up the plea "spare the dog" but we would like to have it understood by everybody that in the mind of the general public there is nothing more contemptable than a dog poisoner.

No matter how much a man may dislike dogs in general, or any one of the tribe in particular, he cannot be justified in throwing about poison which may be taken up by creatures, against which he has no animosity. The indiscriminate dog poisoner, should be considered as a criminal, and if caught should be treated as such.

It is easy to find extenuating circumstances to justify the shooting or asphyxiation of a dog, and hundreds of the tribe are at large in this city, that could well be spared, but the poisoner is meaner than the meanest yellow cur. Let us learn to respect our humane laws and if the dog is to be put out of the way, we should at least use a little judgement in exterminating him.

NEXT WEEK'S BILL AT "STAR"

At the Star theatre next week will appear Eddie Hays, the minstrel man, an entertainer of well known ability, in one of the funniest acts imaginable. Hays never fails to please the ladies and children. The fantastic La Delle, mysterious manipulators of doves, pigeons, guinea pigs, rabbits and chickens, are also on the bill No one should miss seeing them as their act is one of the best yet produced at the "Star". The anamatriscope will present in motion pictures, Kathleen Mavoureen, from the famous Irish drama. An evening's entertainment within itself. Illustrated songs by Miss Woods. Taken altogether next week's bill is an exceptionally good one. Program changes Thursday evening

DONORA MERCHANTS WILL TAKE HAND IN POLITICS

Have Called a Meeting and Taken Action.—Determined Not to Put Men in Office Who Will Oppose the Best Interests of the Town.

The Donora merchants have at last solved the problem that will lead to the welfare of the city. A few evenings ago a meeting was called and the business men of the town turned out and the enthusiasm which prevailed was sufficient to insure a change politically in the little municipality. The following resolution was adopted:

"The Merchants Association of Donora hereby agrees not to support any candidate for office at the coming elections who has acted in a detrimental manner to the progressive business interests of our borough, and especially in regards to the Donora-Webster bridge."

The Donora American, in speaking of the affair says:

"The merchants are all exceedingly wroth at the treatment received in regard to the bridge from the present commissioners and they are going to do all in their power to oust the ones who are keeping back the progress of our town if they can find out just who those parties are, and they rather believe that they know."

M. W. of A. Social Session

The members of Monessen Lodge M. W. of A. held a very enjoyable social session in their rooms in Kelly's hall, last evening. A large number of members and friends were present and all report a most pleasant evening. A fine musical program was rendered which was followed by an elegant lunch furnished by caterer Stanley.

THERE is some satisfaction in learning that Mabelle Gilman has transferred her affections from Corey to young Riggs.

THAT Milwaukee woman who has been packing a bottle of whiskey to the theatre in her stocking, must, of course, have carried an extra stocking along for that specific purpose.

CONNELLSVILLE boasts of a girl who can sing in seven different languages. Nothing at all to boast of. We have a black tom cat that can do that on moonlight nights, in the back yard.

ACCORDING to a writer in one of our exchange magazines, girls who wear white dresses are married sooner than those who wear all sorts of colors. Now then girls, when all hope has fled and you fear you are doomed to the darkness of old maidhood, cheer up and come forth arrayed in snowy garments.

WE have only a word to say about the fiendish murder of that little girl at Monessen. Why, in this day and generation, is it necessary to offer a reward of $1,000 and hire private detectives to run down the criminals? And again, why is it that of all the crimes committed in and about Greensburg, in nearly every instsnce the culprit, or at least a suspect or two, is arrested? It is only an occasional crime committed hereabouts that is punished.—Belle Vernon Enterprise.

War Against Consumption.

All nations are endeavoring to check the ravages of consumption, the "white plague" that claims so many victims each year. Foley's Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Do not risk your health by taking some unknown preparation when Foley's Honey and Tar is safe and certain in results. The genuine is in a yellow package. Sold by Kirks Drug Store.

If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder trouble in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any stupifying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. Sold and recommended by all dealers.

Dr. Shoop's Night Cure Soothes, Heals and Cures while the Patient Sleeps

The best remedy which physicians know for Female Troubles is composed of parts of a certain white lily. To this are added other remedies which are intended to draw out the poisons and heal the inflamed membranes. This soothing antiseptic local application is known by druggists and physicians everywhere as DR. SHOOP'S NIGHT CURE—because it cures while the patient sleeps and the morning finds the pain, the inflammation, the discharges, abated. The lives of many women are records of martyrdom. They suffer, they are sick, they never know a well day—yet all this suffering and sickness is many times unnecessary. Every ailing woman should be made strong—may be made to experience the vigor and vitality of robust and perfect healthy womanhood. It is to this ever-increasing number of suffering women that Dr Shoop sends this way to help. It is to these sick and ailing women that DR. SHOOP'S NIGHT CURE will come as a means of real relief. You may not know your trouble by the name physicians give it, but remember DR. SHOOP'S NIGHT CURE may be relied upon in all cases of ulceration, local pains, irritation, weaknesses, inflammation, congestion and all irregularities. Ask for DR. SHOOP'S NIGHT CURE. DELIVERY OF HISTORY

The history of Westmoreland county compiled by J. Dan Boucher, of Greensburg, is now being delivered. The history is in three volumes, neatly printed and presents a good appearance. It is well written and so far as we have gone through the work it is very interesting.

It contains autobiographies of many of the leading citizens of Monessen. It is being delivered at the nominal price of six dollars a volume or $18.00 for the set.

County Loses an Asset.

"If I stay in this county any longer you will make me a beggar," was the remark made by Arnice Riston, of Charleroi to the district attorney of Washington county yesterday, after he had paid fines amounting to $110. Riston has for five years been continually in the county courts as defendant and has paid so many fines and such heavy costs that he has been considered a valuable county asset.

Riston's last offense was selling cigarettes to minors. When fined he declared he would get out of the county and has already had his belongings removed to Belle Vernon in Fayette county.

Boiler Explodes, one Injuried.

As a result of a boiler explosion at the Page mill yesterday, a fireman named Montgomery, colored, was severely scalded. The unfortunate man was standing near the boiler at the time, and received the full force of the escaping steam. He was badly burned about the back, face and hands. His burns were dressed by a local physician. It is not thought that Montgomery's injuries will prove serious.

Was in Poor Health for Years

Ira W. Kelley of Mansfield, Pa., writes: "I was in poor health for two years, suffering from kidney and bladder trouble, and spent considerable money consulting physicians without obtaining any marked benefit, but was cured by Foley's Kidney Cure, and I desire to add my testimony that it may be the cause of restoring the health of others." FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Woman's Ailments.

I am a woman.
I know woman's sufferings.
I have found the cure.

I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or Whitish discharges, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Sickness and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always results from its use.

Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see this offer again. Address

Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio, says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

STUART IS UP TO DATE

Would Reduce Local Taxation For Schools and Good Roads.

WANTS MORE MONEY OF STATE

Corporations Would Thus Contribute More to Relieve Rural Burdens From Individual Taxpayers.

Edwin S. Stuart, the Republican nominee for governor, has made a ten-strike by his advocacy of greater state appropriations for public schools and for the improvement of public roads.

He takes this stand with a view to relieving local taxation for these purposes and to lighten the burdens of the individuals as regards taxation and make the corporations contribute more freely in these directions.

It is well known that Pennsylvania collects more in taxes from corporations than any other state in the Union, and this in a measure will account for the fact that, besides meeting all of the ordinary expenses of the state government, Pennsylvania was enabled to build the new state capitol and pay for it without having to levy an additional tax or to borrow a single dollar to do it.

Money for Schools and Roads.

Candidate Stuart, in commenting upon the subject of state taxation a few nights ago, said:

"While the farms and homes of the state have long been relieved from taxation for state purposes, they are still heavily taxed for the support of schools, roads and county expenses.

"It is legitimate that they should be taxed for the proper support of their local affairs, but have we not now reached a period where they may be rapidly relieved of taxation for schools and roads?

"The state has long been tending to the policy of the support of our schools, as we are now appropriating many millions to maintain them, and we have just inaugurated the policy of improving our roads under state direction and by appropriation from the treasury.

"We now have no state debt, and with our matchless progress and development of wealth our revenues must rapidly increase, and we can safely advocate the policy of gradually but speedily making much larger appropriations to our educational system and bringing our chief highways in every community under the state direction, thus practically relieving the farms and homes of the state from all taxation except such as may be necessary for the administration of the local affairs in each county."

Must Protect Farmers' Interests.

Speaking of the new meat laws and kindred subjects of interest to the farmers, Mr. Stuart said:

"The raising of cattle and the employments of the dairy are essential parts of the agricultural operations of the state, and they should be fostered and encouraged in every proper and legitimate way. The progress of agriculture in the state is noteworthy, and in no calling of life are the indications for the future more encouraging.

"It is said that for the amount of brain power and labor expended upon his work, the farmer never gets as good a financial return as the banker, broker or general business man receives. This may be true, but in every great emergency in the history of this country it has been upon the farmers that the government depended, and they have never failed to come to the assistance of the republic when their services were needed. No war could ever be carried to a successful termination if it were not for the commissary department.

"The farmers interests should be safeguarded by both the legislative and the executive branches of the state government."

Logic like this is not strange to Mr. Stuart, nor is it a means to gain an end. His interests in the producer, the "doer of things," dates back to the time when as mayor of Philadelphia he took a keen interest in those affairs that redounded to the good of the masses for whom he always has had a decided preference. His aim has always been to uplift, and it is pretty certain that the voters of this state will show their appreciation of the man at the polls in November.

That Bardsley Scandal.

Republican nominee for lieutenant governor, Robert S. Murphy, in a recent speech, said, in part:

"We have not been affected by the slander and abuse and the denunciation heaped upon the Republican party. We believe in its honesty, believe in its good faith, and we believe in the sincerity of the rank and file and in the honesty and sincerity of the leaders.

"I say to you that it would be impossible for Mr. Stuart or myself to stand in this presence if I did not feel, and if he did not feel the full force and meaning of those words.

"There is an incident in the career of Edwin S. Stuart during his administration of the office of mayor of Philadelphia of which it seems to me but fair to speak. Mr Stuart had been but one month in that office when, under the authority of the charter governing Philadelphia, he invoked a clause in that authority and investigated a department. The result of that investigation startled this commonwealth. You will recall the name of Honest John Bardsley, city treasurer of Philadelphia. The result of the examination of that department was that there was a defalcation of the city funds amounting to half a million dollars. It was no sooner known than, under the direction of Mayor Edwin S. Stuart, John Bardsley was arrested. He was a Republican officeholder, and up to that time prominent in the highest degree in the respect and esteem and confidence of the people of Philadelphia, and as a result of that investigation he pleaded guilty, and for 15 years he was confined in the eastern penitentiary. I speak of that, my friends, as an evidence of the absolute honesty and sincerity of your candidate upon this ticket."

Badly Put.

Fisherman (beginner)—Don't you think, Peter, I've improved a good deal since I began? Peter (anxious to pay a compliment)—You have, sorr. But, sure, it was easy for you to improve sorr!—Punch.
